GOLD RESOURCE CORPORATION DECLARES THIRD SPECIAL CASH DIVIDEND

DENVER – September 30, 2010 – Gold Resource Corporation (GORO) (NYSE Amex: GORO) is pleased to announce it has declared its third 2010 Special Cash Dividend of \$0.03 per common share to its shareholders of record October 15th, payable October 27th, 2010. Gold Resource Corporation is a low-cost gold producer with operations in southern Mexico.

Gold Resource Corporation commenced Commercial Production July 1, 2010 from its El Aguila Project's operations in the southern state of Oaxaca, Mexico. The Company continues to be pleased with the Project's performance and by using cash flow generated from operations the Board of Directors declared another Special Cash Dividend increasing the year to date dividend payment to \$0.09.

Gold Resource Corporation's President, Mr. Jason Reid stated, "I want to personally thank and give credit to our team of professionals in Oaxaca, Mexico. Our team continues mill optimization while operating during an unusually challenging rainy season. It is very positive that even though the first quarter of commercial production is less than an optimal quarter we are pleased to announce our third special cash dividend in as many months."

About GRC:

Gold Resource Corporation is a mining company focused on production and pursuing development of gold and silver projects that feature low operating costs and produce high returns on capital. The Company has 100% interest in five potential high-grade gold and silver properties in Mexico's southern state of Oaxaca. The company will have 52,998,303 shares outstanding after the close of this transaction, no warrants and no debt. For more information, please visit GRC's website, located at www.Goldresourcecorp.com and read the Company's 10-K for an understanding of the risk factors involved.

This press release contains forward-looking statements that involve risks and uncertainties. The statements contained in this press release that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. When used in this press release, the words "plan", "target", "anticipate," "believe," "estimate," "intend" and "expect" and similar expressions are intended to identify such forward-looking statements. Such forward-looking statements include, without limitation, the statements regarding Gold Resource Corporation's strategy, future plans for production, future expenses and costs, future liquidity and capital resources, and estimates of mineralized material. All forward-looking statements in this press release are based upon information available to Gold Resource Corporation on the date of this press release, and the company assumes no obligation to update any such forward-looking statements. Forward looking statements involve a number of risks and uncertainties, and there can be no assurance that such statements will prove to be accurate. The Company's actual results could differ materially from those discussed in this press release. In particular, there can be no assurance that production will continue at any specific rate. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in the company's 10-K filed with the Securities and Exchange Commission
