GOLD RESOURCE CORPORATION CONFIRMS RECORD SECOND QUARTER PRODUCTION, REVENUE AND EARNINGS

COLORADO SPRINGS – July 5, 2011 – Gold Resource Corporation (NYSE Amex: GORO) is pleased to confirm record mineral production for the second quarter of 2011. Gold Resource Corporation is a low-cost gold producer with operations in the southern state of Oaxaca, Mexico.

Gold Resource Corporation's President, Mr. Jason Reid stated, "I am pleased and proud to report that the Company's second quarter will reflect record mineral production, revenue and earnings after achieving its first profitable quarter as a mining company during the first quarter of 2011. We look forward to sharing the full second quarter report in the near future."

About GRC:

Gold Resource Corporation is a mining company focused on production and pursuing development of gold and silver projects that feature low operating costs and produce high returns on capital. The Company has 100% interest in six potential high-grade gold and silver properties in Mexico's southern state of Oaxaca. The Company has 52,998,303 shares outstanding, no warrants and no debt. For more information, please visit GRC's website, located at www.Goldresourcecorp.com and read the Company's 10-K for an understanding of the risk factors involved.

This press release contains forward-looking statements that involve risks and uncertainties. The statements contained in this press release that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. When used in this press release, the words "plan", "target", "anticipate," "believe," "estimate," "intend" and "expect" and similar expressions are intended to identify such forward-looking statements. Such forward-looking statements include, without limitation, the statements regarding Gold Resource Corporation's strategy, future plans for production, future expenses and costs, future liquidity and capital resources, and estimates of mineralized material. All forward-looking statements in this press release are based upon information available to Gold Resource Corporation on the date of this press release, and the company assumes no obligation to update any such forward-looking statements. Forward looking statements involve a number of risks and uncertainties, and there can be no assurance that such statements will prove to be accurate. The Company's actual results could differ materially from those discussed in this press release. In particular, there can be no assurance that production will continue at any specific rate. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in the company's 10-K filed with the Securities and Exchange Commission
