GOLD RESOURCE CORPORATION ANNOUNCES 2011 THIRD QUARTER CONFERENCE CALL

Colorado Springs–November 8, 2011 – Gold Resource Corporation (NYSE Amex: GORO) today announced the timing of its third quarter CEO conference call scheduled November 10, 2011. Gold Resource Corporation is a low-cost gold producer with operations in the southern state of Oaxaca, Mexico. The Company has returned over \$30 million to shareholders in monthly dividends since declaring commercial production July 1st, 2010.

Conference Call

Gold Resource Corporation's CEO, Mr. William W. Reid, will host a 45 minute conference call Thursday, November 10, 2011 at 11:00 a.m. EST. Mr. William Reid will update shareholders on third quarter results followed by a Question & Answer period. The conference call will be recorded and posted to the Company's website in 3 to 5 business days from recording.

In order to respond to as many conference participants as possible, the Company asks callers to limit their comments and direct one question per person to topics related to operations, production, mine development, exploration and dividends.

Date: Thursday, November 10, 2011

Time: 11:00AM EST (9:00 AM Mountain)

About GRC:

Gold Resource Corporation is a mining company focused on production and pursuing development of gold and silver projects that feature low operating costs and produce high

returns on capital. The Company has 100% interest in six potential high-grade gold and silver properties in Mexico's southern state of Oaxaca. The Company has 52,947,303 shares outstanding, no warrants and no debt. For more information, please visit GRC's website, located at www.Goldresourcecorp.com and read the Company's 10-K for an understanding of the risk factors involved.

Cautionary Statements:

This press release contains forward-looking statements that involve risks and uncertainties. The statements contained in this press release that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. When used in this press release, the words "plan", "target", "anticipate," "believe," "estimate," "intend" and "expect" and similar expressions are intended to identify such forward-looking statements. Such forward-looking statements include, without limitation, the statements regarding Gold Resource Corporation's strategy, future plans for production, future expenses and costs, future liquidity and capital resources, and estimates of mineralized material. All forward-looking statements in this press release are based upon information available to Gold Resource Corporation on the date of this press release, and the company assumes no obligation to update any such forward-looking statements. Forward looking statements involve a number of risks and uncertainties, and there can be no assurance that such statements will prove to be accurate. The Company's actual results could differ materially from those discussed in this press release. In particular, there can be no assurance that production will continue at any specific rate. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in the company's 10-K filed with the Securities and Exchange Commission
