## **GOLD RESOURCE CORPORATION ANNOUNCES ANNUAL MEETING OF SHAREHOLDERS**

**COLORADO SPRINGS – April 30, 2012** – Gold Resource Corporation (NYSE Amex: GORO) announced today that it will hold its annual meeting of shareholders at 9:00 a.m. Mountain Time on Tuesday, June 26, 2012, at the Westin Denver Downtown located at 1672 Lawrence Street, Denver, CO 80202. Gold Resource Corporation is a low-cost gold producer with operations in the southern state of Oaxaca, Mexico.

Additional information, including details of the business to be conducted at the annual meeting, is included in the Company's Notice of Annual Meeting and Proxy Statement, which has been filed with the Securities and Exchange Commission. The proxy statement may be accessed through the investor information section of the Company's website at [http://goldresourcecorp.com/refer.php?rc=SEC\\_FILINGS](http://goldresourcecorp.com/refer.php?rc=SEC_FILINGS).

### **About GRC:**

Gold Resource Corporation is a mining company focused on production and pursuing development of gold and silver projects that feature low operating costs and produce high returns on capital. The Company has 100% interest in six potential high-grade gold and silver properties in Mexico's southern state of Oaxaca. The Company has 52,902,620 shares outstanding, no warrants and no debt. Gold Resource Corporation is the only Company to offer its shareholders a dividend option to obtain physical gold or silver in addition to cash. For more information, please visit GRC's website, located at [www.Goldresourcecorp.com](http://www.Goldresourcecorp.com) and read the Company's 10-K for an understanding of the risk factors involved.

### **Cautionary Statements:**

This press release contains forward-looking statements that involve risks and uncertainties. The statements contained in this press release that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. When used in this press release, the words "plan", "target", "anticipate," "believe," "estimate," "intend" and "expect" and similar expressions are intended to identify such forward-looking statements. Such forward-looking statements include, without limitation, the statements regarding Gold Resource Corporation's strategy, future plans for production, future expenses and costs, future liquidity and capital resources, and estimates of mineralized material. All forward-looking statements in this press release are based upon information available to Gold Resource Corporation on the date of this press release, and the company assumes no obligation to update any such forward-looking statements. Forward looking statements involve a number of risks and uncertainties, and there can be no assurance that

such statements will prove to be accurate. The Company's actual results could differ materially from those discussed in this press release. In particular, there can be no assurance that production will continue at any specific rate. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in the Company's 10-K filed with the SEC.

The SEC limits disclosure for U.S. reporting purposes to mineral deposits that a company can economically and legally extract or produce. Terms used in this release and in the forthcoming technical report such as "resources", "measured", "indicated", or "inferred", are not consistent with the reserve definitions established by the SEC. U.S. investors are cautioned not to assume that these resource estimates will ever be converted into reserves as defined by the SEC and are urged to consider closely the disclosure in our Form 10-K. You can review and obtain copies of these filings from the SEC website at <http://www.sec.gov/edgar.shtml>
